RE:	Canada Emergency Commercial Rent Assistance (CECRA) program

Dear Melcor Tenant,

The Canada Emergency Commercial Rent Assistance (“CECRA”) program opened for applications today. The good news is that we will be applying for CECRA on your behalf if you qualify; however, we are currently seeking clarification on a few elements of the program. We appreciate your patience.

Please anticipate a full memo with instructions later this week. We want to make certain to address all elements of the program application. In the meantime, you can familiarize yourself with the program details for small businesses on the CECRA website:
