CAREER OPPORTUNITY

BUILDING OPERATOR

WE ARE LOOKING FOR

A **Building Operator** who is committed to assisting with the day-to-day operation of our Edmonton area commercial properties while delivering exceptional customer service to our tenants.

This full-time position reports to the Operations Manager and is a key member of our team.

WHAT YOU'LL DO

Assist in the operation, maintenance, and repair of our commercial properties. This includes:

- Be the “go to” for tenants, customers, contractors, and the property management team
- Fix what you can and monitor, maintain, and troubleshoot the rest
- Become a building guru – knowing your systems inside and out
- Perform chemical testing where required
- Coordinate and oversee Landlord and Tenant Improvement construction
- Help us maintain our “Best in Class” philosophy with a 30 minute on-time response to tenant work orders
- Always work safe
- Participate in the on call rotation as required

ABOUT YOU:

- You have working knowledge of:
 - HVAC, mechanical, electrical, plumbing, life safety, generators, fire alarm, and sprinkler systems and BMS systems
 - All work safe procedures and awareness of Occupational Health & Safety legislation.
- You can follow company guidelines and demonstrate strong attention to detail.
- You work calmly under pressure while maintaining a sense of urgency.
- You have excellent time management skills and can work independently.
- You possess basic computer skills, Microsoft Office, Outlook, Windows.
- Reliable vehicle with valid Alberta Drivers license.
- 4th or 5th Class Power Engineering Certificate is considered an asset.
